- 25X1. [REDACTED] the KVP garrison in Berlin, commanded by Colonel  
25X1 Roesse, returned to its former station in Prora. New units from Prora, which  
are replacing the old garrison in Berlin, are supposed to get new winter  
quarters, rather than staying at the Treskowallee castle and the park around  
it where their predecessors were quartered. A large number of the replace-  
ments will probably be stationed in the new Johannisthal barracks.
- 25X1 2. A recent [REDACTED] order, issued by the Ministry of the Interior and signed by  
Ernst Wollweber, requests increased military training for members of the  
departments for sport and technical affairs, with special emphasis to be  
placed on firing practice and street fighting.
